*Child-related work:* As defined by the *Worker Screening Act 2020* (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (i.e. indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer schoolwork in good faith.

## POLICY

Flowerdale Primary School is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Flowerdale Primary School recognises the valuable contribution that volunteers provide to our school community and the work that we do.

The procedures set out below are designed to ensure that Flowerdale Primary School's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

### **Becoming a volunteer**

Members of our school community who would like to volunteer are encouraged to respond to volunteer requests in school newsletters or letters.

Volunteers may like to work

- In classrooms hearing reading or contributing to other classroom activities
- Assist with Breakfast Club and School Lunch Days
- As a member of the Parents and Friends Group supporting their activities and events
- As a guest presenter in areas of expertise
- At School working bees
- As helpers on school excursions, camps and sporting events
- As helpers for school concerts and other performances

### **Suitability checks including Working with Children Checks**

#### ***Working with students***

Flowerdale Primary School values the many volunteers that assist in our classrooms/with sports events/camps/excursions/school concerts/other events and programs. To ensure that we are meeting our legal obligations under the *Working with Children Act 2005* (Vic) and the Child Safe Standards, Flowerdale Primary School is required to undertake suitability checks which may include a Working With Children Check, proof of identity, work history involving children and/or reference checks.

Considering our legal obligations, and our commitment to ensuring that Flowerdale Primary School is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card to the Business Manager or administration staff for verification in the following circumstances:

- 
- **Volunteers who are not parent/family members** of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.
  - **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.
  - **Parent/family volunteers** who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
  - **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not
  - **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

## **Non child-related work**

On some occasions, parents and other members of the school community may volunteer to do work that is not child related. For example, volunteering on the weekend for gardening, maintenance, working bees, parents and friends club coordination, school council, participating in sub-committees of school council, fete coordination, other fundraising groups that meet in the evenings during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have Working with Children or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Example School reserves the right to undertake suitability checks, including proof of identity, Working with Children Checks, at its discretion if considered necessary for any activities or circumstances.

School council members and volunteers on any sub-committee of school council will be asked to provide a valid WWC Check. Whilst we acknowledge that these volunteers will not be engaging in child-related work as part of their role, even when there is a student sitting on the school council, we believe that it is important that our volunteers who are involved in making important decisions about our school which will have an impact on students do have a valid WWC Check.

### Training and induction

Under the Child Safe Standards volunteers must have an appropriate induction and training in child safety and wellbeing.

To support us to maintain a child safe environment, before engaging in any work where children are present or reasonably likely to be present, volunteers must familiarise themselves with the policies, procedures and code of conduct referred to in our *Child Safety Induction Pack* and ensure the actions and requirements in these documents are followed when volunteering for our school.

Depending on the nature and responsibilities of their role, Flowerdale Primary School may also require volunteers to complete additional child safety training.

### Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safety Policy / Statement of Commitment to Child Safety, our Child Safety Code of Conduct and our Statement of Values and School Philosophy.

Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to [Equal Opportunity and Anti-Discrimination](#), [Sexual Harassment](#) and [Workplace Bullying](#).

The principal (or their nominee) will determine the level of school staff supervision required for volunteers, depending on the type of work being performed, and with a focus on ensuring the safety and wellbeing of students.

The principal has the discretion to decide about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Flowerdale Primary School.

Flowerdale Primary School will provide any appropriate induction and/or training for all volunteer workers. The principal (or their nominee) will determine what induction and/or training is necessary depending on what type of work the volunteer will be engaged in.

All volunteers will be provided induction in relation to Flowerdale Primary School's child safety practices, including reporting obligations and procedures.

### Privacy and information-sharing

Volunteers must ensure that any student information they become aware of because of their volunteer work is managed sensitively and in accordance with the [Schools' Privacy Policy](#) and the Department's policy on [Privacy and Information Sharing](#).
